Making Light Work Of Heavy Loads

Modular design allows any part to be replaced by the operator in the field.

Ergonomic, plated handles, angled for easier load handling. Magnum Handle upgrades available.

Single control, easy to operate “UP-DOWN” switch.

Sculptured, long-lasting, non-marking vinyl padding.

Ergonomic placement of multiple hand holds give you a place to hold where you need it.

Fastest, easiest to use, automatic rewinding safety strap available. Upper and lower straps optional.

Frame made of tough tempered aluminum alloy. Stronger than magnesium - lighter than steel!

Non-spillable, sealed, rechargeable battery. Optional high-capacity battery available. Charger included.

Non marking wheels and lifting feet protect all step and floor surfaces.

POWERED STAIR CLIMBER
New high-efficiency motor capable of the most lifts per charge of any powered stair climbing hand truck. Serviceable drive train, built for decades of service.

Big Wheel Attachment
BWA-1: Removable pneumatic 10" tires for rolling on rough terrain. Easily snaps on/off hand truck in 2 seconds.

Auto-Rewind Safety Strap
RW-1: 12 ft. long nylon automatic rewinding safety strap. Upper, middle and lower positions available for maximum versatility.

Big Toeplate Attachment
BTA-12-28 / BTA-12-32: Large removable toeplate fits over standard toeplate. Available in 2 sizes; 12" x 28" and 12" x 32"

Retractable Load Support
RLS-1: Wide track folding carriage legs with swivel casters. Foot-operated latch allows for easy deployment without uprighting load.

Barrel Attachment

Height Adjustable Toeplate
HAT-1: For moving loads with legs, such as furniture and snack vending machines.

Swivel Caster Attachment
SCA-1: Attaches easily to the back of the hand truck near the top handles. Allows the hand truck to lay flat and roll in a horizontal position.

Magnum Handle Upgrade
#1305 / #1307: No-slip coated handle with wider opening. Replaces standard chrome top handle. Cross-bar option available (#1307).

Lift Plate Attachment
LPA-1: Removable 24" x 28" steel platform locks on to forks (for fork lift models only).

Portable Steps
Custom designed aluminum steps available in various sizes to fit most delivery vehicles ranging from small pick-ups to large delivery trucks.

Lift Hitch Attachment
LH-3: Carries Escalera Forklifts on the back of delivery vehicles. Fits standard 2" receiver (for fork lift models only).

Escalera CopyCaddy™
RPA-1 / RPA-2: Delivery cart/ramp for copy machines and large electronic equipment. 2 pallet sizes and 10" extensions available. Includes all-terrain tires, and adjustable strap.
